

# Where to Find Landscape Designers

We at CNPS North Coast Chapter love native plant people and their businesses.  
We list them here to assist you, and to support their work.

**Brant Landscape.** Mostly maintenance, with an affinity for pruning. Chris is a sharp botanist and can suggest species.  
[brantsplants@gmail.com](mailto:brantsplants@gmail.com) 707 496-1547

**Genevieve Schmidt Landscape Design and Fine Garden Maintenance.** Residential and commercial landscape design, installations, and fine landscape maintenance (License Number: 986304). Recommended by the National Wildlife Association for pollinator- and wildlife-friendly landscaping.  
[gen@northcoastgardening.com](mailto:gen@northcoastgardening.com) 707 822-2075

**Laura Lopez,** Ecological Landscape Designer. Design-consulting-installation-renovation services and irrigation audits & design for landscape projects featuring native plants and ranging from small gardens and patios to estate scale and commercial. License #919821 [Californiaflora@gmail.com](mailto:Californiaflora@gmail.com) (805) 464-1083

**Lynne Abels.** Consultations and designs, and sometimes installations.  
[lynneabels@gmail.com](mailto:lynneabels@gmail.com); 707-268-5539

**Mend Landscapes** is an emerging practice focused on cultivating reciprocity between the land and its inhabitants. We craft rooted places by embracing biodiversity, aligning with natural processes, engaging the history of a site, and fostering adaptive maintenance and planning. [nadja@mendlandscapes.com](mailto:nadja@mendlandscapes.com) 707-273-1209 for a complimentary consultation

**Samara Restoration.** Dedicated to restoring northern California ecosystems through all phases of designing, growing & installation.  
[www.samararestoration.com](http://www.samararestoration.com) Office 707-601-3478 Nursery 707-834-2527

**Todd Siefke.** Landscape Design with a focus on native plants, harvesting rainwater, reusing materials on-site, and addressing underutilized space.  
[Toddsiefke56@gmail.com](mailto:Toddsiefke56@gmail.com) 626-848-6889

**Wildling Studio.** Landscape architecture with an ecological orientation. Site & master planning, vision planning & feasibility studies, conceptual and construction documents for educational, commercial, and residential. settings.
